24th Annual FACT Snowball & 25th Anniversary Dinner

The cold evening temperatures on December 5, 2010, did not have an affect on the warm atmosphere and elegant surroundings of The Meadows in Hellertown, the new venue of the FACT Snowball for 2010 and the celebration of FACT's 25th Anniversary! Upon entering the Mainball room of the Meadows, guests were greeted by the soft piano music of Stevie Z and the warm glow of the roaring fires that burned in the fireplaces that flanked the room. A scrumptious never ending table of Hors-d'œuvre were the talk of the night as one dish would empty and a server would replenish the supply! The invocation and blessing was given by Rev. Eugene Hamilton, a Methodist Minister and new FACT board member. Dinner was served equally as impressive as each course was brought out in what seemed to be perfectly timed to the pace of the evening. The Silent Auctions tables were busy throughout the night and appeared to run very smoothly. The auctions closed just before dessert and winning bids were tabulated. Auctions items were made available immediately at the end of the evening and claimed as people left the event. As dinner progressed, attendees were also serenaded by the sounds of KATO! KATO has performed at FACT events in the past and this year their music and assistance as MC, kept everyone's feet tapping and the dance floor

moving! This year's recipients of the Annual Presidents Award were Liz Bradbury and Patricia Sullivan in recognition of their support of the HIV/AIDS community. The Annual Rainbow Award was presented to Joey Zapach for his service to FACT and the HIV/AIDS Community! After expenses FACT made over \$5000. at this years Snowball! We are grateful to all of the donors and attendees who helped us celebrate our 25th Anniversary in grand style! We also thank the staff of The Meadow's who seemed to go the extra mile in making our evening such a great celebration!

FACT Warehouse Party!!!!

In the Early 1990's, FACT sponsored an event call the Winter Games which was held on the 4th Floor of the Rob-Win Press Printing Company on Trump Street in East Allentown. The event was always a lot of fun and for a while the event was discontinued in order for other events and venues to be utilized. As this is the 25th anniversary for FACT, it was suggested that we revisit one of FACT's favorite venues and through the generosity of Rob-Win Press we will be sponsoring a grand Warehouse Party on April 3, 2011 from 2-6 p.m.!!! The FACT 25th Anniversary Raffle drawing will take place at this event and it will be the last opportunity to purchase your raffle tickets! The raffle drawing will begin at 4:00 p.m. and will continue periodically through the rest of the afternoon! A live band is being arranged for the afternoon and there will be plenty of great food and fun! There will also be an additional 50/50 raffle drawing taking place as part of this event! As event planning continues, watch your mail and the FACT Website for more information as we come closer to the event! Admission to the event will be \$15.00!

FACT ELECTS NEW BOARD For 2011 and Looks forward to Change with the times!

In November at the annual membership meeting the 2011 board of directors were elected. Our executive board members are: President - Skip Scheetz; Vice President - Lou James; Treasurer - Bryon Reynolds; Secretary- Shawn Deppen. The following board members were elected or will continue to serve: Dan Friedman, Chris Banko, David Moyer, Chris Criswell, Ed Gumina, Carl Mancino, Rev. Eugene Hamilton, Brian Marks.

The face of FACT and the needs the HIV/AIDS Community have changed over the years, as have the communities and economic levels of those who have supported us in past years. Understanding these changes, as well as the suggestions from all of you about making changes to some of our trade mark events, The board has decided to incorporate some of these ideas into our program. In the coming months, you will see a number of changes taking place in some of our events and the venues where events have taking place! This is an exciting time for FACT and the changes that you will be seeing, we hope you will continue to support. FACT will continue to fight until there is a cure. We will continue to be an all volunteer organization and we will continue to be the agency of last resort for people with HIV/AIDS in need. We have never turned down a substantiated request for aid and we will continue, with your help, to grant that help to those in need.

FACT SUMMER GAMES TO MOVE TO THE WOODS CAMP GROUND!!!

For 25 years FACT has been blessed to be able to hold the FACT Summer Games at Rainbow Mountain Resort in Marshall's Creek. Angelo and his staff have been very gracious to us and FACT owes a very great debt of thanks to Rainbow Mountain for everything they have done to host the FACT Summer Games. In the last 5 years people who attend the Games have made the recommendation that FACT should look at other venues for the Games. The Board has considered moving the Games in the past, but really there were no other facilities in the area that provided the space needed by FACT. Recently a group had made a formal request to FACT to be considered as a possible site for the FACT Summer Games. After much discussion the Board voted to move the location of the 2011 FACT Summer Games to The Woods Camp Ground in Lehigh, PA! This will promise to be an exciting time for FACT And the 26th Annual FACT

Summer Games as this event will now become a weekend event beginning of Friday evening September 9th with opportunity to come to the Woods for a cocktail party/carnival atmosphere, followed by a carnival day of games of chance as well as raffles, silent auctions and food and fun presented in a way only the Woods Can present! Sunday of course will continue to be the traditional team events and it is hope that we will be able to reach out to the area colleges to form teams to participate in the Games! Admission prices for the Games on Sunday, which will be our main day of events, will continue to be purchased for \$15.00 prior to the Summer Games and \$20.00 at the gate on the day of the games. We hope you will support FACT in this move to The Woods and look forward to seeing you at the event! Please watch your mail and the FACT Website for more information closer to the Summer!
